

PACE OF PLAY

Pace of play is an important element to a good experience on Wednesday evenings. It is not about rushing your shots. Good pace of play is about being prepared and ready to play when it is your turn. Here are some tips:

1. You should average 15 min per hole, for a total round time of 2hr 15min.
2. Begin preparing before you get to your ball. While walking or riding to your ball, use the travel time to begin thinking over your next shot – the yardage, which club you'll use, and so on.
3. If sharing a cart, drop the first player off at her ball, drive on ahead to the second ball. The first player should walk over to the cart as the second player is playing her shot.
4. Each member of a group should proceed directly to her ball. The group should not travel as a pack, going to the first ball, then the next, and so on.
5. Limit your search for lost balls to no more than 3 minutes. When a ball is lost, hit your shot first, and then help look for the lost ball.
6. To minimize lost balls, players in the group should watch others hit to help with tracking.
7. On the green, begin lining up your putt and reading the break as soon as you reach the green. When it's your turn to putt, be prepared to step right up and take the stroke. A player may continue putting until she holes out.
8. Leave your carts to the side of the green and in the direction of the next tee, never in front of the green.
9. Write down your score when you reach the next tee, never by the green.
10. Keep up with the team in front of you.
11. We do not play typical "honors" etiquette. Play ready golf, with respect to your group.

GOALS

1. Have a fun and make new friends!
2. Practice golf rules and pace of play. Ask questions!
3. Improve your score, learn new skills, celebrate great shots, laugh off bad ones, get some exercise, and enjoy the fresh air!

NO Makeup Rounds

LEAGUE RULES & PROCEDURES

1. There is a shotgun start every Wednesday at 5:30pm. Please try to arrive at least 15 minutes early.
2. In the event of inclement weather, assume we are playing. We will attempt to announce cancellations by 3:30 pm, but Indiana weather changes quickly.
3. Please contact Jason (or the course) by Wednesday at 11:00 am if you cannot play that evening. Foursomes are set by Noon.
4. Members will follow all USGA golf rules (www.usga.org/rules-hub.html), with the exception of the local Ironwood or league exceptions below.
5. To help with pace of play, use the "Local Rule" for lost balls and OB, alternative to stroke-and-distance relief with a 2-stroke penalty.
6. Occasional local course rules may be in place due to course conditions from weather or repair, such as lift and place. If you believe you are in "ground under repair," confer with your group for consensus. Otherwise assume play your ball as it lies.
7. Use the double par rule. Pick up your ball at double par strokes then circle the score on the scorecard. Rounds with circled 'double par' will count towards your average but *may* not be eligible for that week's game.
8. You must return to the clubhouse at 8:30pm, regardless of whether you've finished your round. This will move earlier as we lose daylight.
9. Golf Genius: All communication will be sent through this app. Use this to let the course know you are playing; The course will keep you posted on the game, weather, etc.
10. Team Games will be scored by Handicap; Individual Games will be scored by flight

And most importantly, HAVE FUN!
